

Sanjivani's SPECTRUM

(A fortnight News Bulletin of Sanjivani College of Engineering, Kopergaon)

Volume 2 Issue 6 15th December to 31st December 2024

FROM THE CHAIRMAN

As we step into the new year, our college continues to foster innovation and unity. From remarkable student achievements to industry collaborations, we are committed to shaping the future with knowledge, creativity, and excellence. Let's embrace new hopes, ideas, and innovations together!

Shri Nitinrao S. Kolhe
The Chairman

FROM THE MANAGING TRUSTEE

As we begin this new year, I am proud of the remarkable achievements of our students and faculty. Our commitment to fostering innovation and excellence remains unwavering. Let's continue to work together, explore new opportunities, and make 2025 a year of growth and success for the entire SCOE family!

Shri Amit Kolhe
The Managing Trustee

FROM THE DIRECTOR'S DESK

As we usher in the new year, it is heartening to witness the continued growth and success of our college. From technological advancements to academic excellence, we are committed to empowering our students to reach new heights. Let's embrace the challenges of the year ahead with passion and innovation!

Dr. A.G.Thakur
The Director, SCOE

Mechatronics: Celebrating New Beginnings with Innovation and Unity!

As part of our New Year celebrations, we witnessed the MITSUBISHI Electric Robot explore the different departments of Sanjivani College of Engineering, symbolizing the growth of our SCOE family. From Mechanical and Civil to the latest additions, each department is a vital part of our journey. Here's to a year filled with new hopes, new innovations, and continued progress. Wishing the entire SCOE family a prosperous New Year!.

Mechatronics: Embracing the Future of Robotics in Industrial Automation!

Robotics is revolutionizing industrial automation and manufacturing, playing a crucial role in shaping the future. To equip our students for success, a session on "Robotics Trends in Industrial Automation" was conducted on 28th December under the banners of Sanjivani I-Connect and Sanjivani Thought Leader. The session, coordinated by Prof. A.A. Kondekar, provided valuable insights to the Mechatronics Engineering department, helping students stay ahead in the ever-evolving field.

Information Technology: Strengthening Industry Connections with Tech Mahindra!

On 16th December 2024, Prof. A. A. Barbind from the Department of Information Technology visited Tech Mahindra, Hinjewadi, Pune. The visit provided valuable insights into the latest technological advancements and industry practices, reinforcing our commitment to bridging the gap between academia and the corporate world. This initiative will offer students enhanced opportunities for learning and future collaborations.

Electrical Engineering: Congratulations to Our Electrical Engineering Stars!

We are pleased to congratulate the following Electrical Engineering students on their successful placements. Kadu Pratik, Kadu Sanket, Mali Sanket, Pandit Sanika, and Samrudhhi Gadhe have been selected by Ring Plus Aqua, while Pragati Gaikwad, Nitin Shejwal, and Ajit Wake have secured placements with Armstrong Dematic. This remarkable achievement reflects their hard work and dedication, and we wish them all the best in their careers ahead

Electrical Engineering : Cummins Nurturing Brilliance Scholarship Awarded!

We are proud to announce that Prem Mule from the Electrical Engineering Department has been awarded the prestigious Cummins Nurturing Brilliance Scholarship. This recognition highlights his exceptional academic achievements and potential. Congratulations, Prem, on this well-deserved honor

Mechanical Engineering: Empowering Researchers with AI Tools for Excellence in Research!

The Department of Mechanical Engineering successfully organized the One Week Short Term Training Program (STTP) on Innovative AI Tools for Research Excellence: A Hands-on STTP for Effective Writing and Data Visualization from December 16th to 21st, 2024. Coordinated by Prof. S.M. Gujrathi and Prof. J.B. Ashtekar, this program witnessed participation from 189 registrants across 21 states, representing 13 esteemed universities and 28 colleges. The event aimed to empower researchers, academicians, and professionals with the practical expertise to harness AI tools for improving research writing and refining data visualization. Attendees explored AI-driven writing assistants, editing tools, and data visualization platforms, enhancing their ability to communicate research outcomes effectively. Expert talks were delivered by Prof. S.M. Gujrathi and Prof. J.B. Ashtekar on the final day, and valuable guidance was provided by Dr. P.M. Patare and Dr. A.G. Thakur. Special thanks to the management for their unwavering support in making this event a success.

Mechatronics: Exploring Robotics Trends in Industrial Automation for Future Leaders!

On 28th December 2025, the Department of Mechatronics Engineering hosted a session on "Robotics Trends in Automation" under the banners of Sanjivani I-Connect and Sanjivani Thought Leader. As robotics plays a vital role in today's industrial automation and manufacturing sectors, this session provided valuable insights for students, especially in terms of their career placements. The session delved into the latest trends in robotics and its applications in industrial automation, helping students stay ahead of technological advancements and better equipping them for future opportunities in the field.
